

Kanto-Shinetsu Sake Awards 2022

(by the Kanto-Shinetsu Regional Taxation Bureau of the National Tax Agency of Japan)

Kanto-Shinetsu Sake Awards are the traditional sake awards held by the Kanto-Shinetsu Regional Taxation Bureau of the National Tax Agency of Japan, which has jurisdiction for the Kanto-Shinetsu region's six prefectures (Ibaraki, Tochigi, Gunma, Saitama, Niigata and Nagano). The awards were first held in 1965 and the most recent awards held in 2022 marked the 93th.

Six prefectures in the Kanto-Shinetsu region of Japan

The objective of holding these awards is, through evaluating the quality of sake, to promote the advancement and development of sake brewing technology, to improve the quality of sake brewed in Kanto-Shinetsu region's six prefectures, and to contribute to the sound development of the sake industry.

The most recent awards (Kanto-Shinetsu Sake Awards 2022) consisted of three categories. The first category was for *Ginjo-shu* sake, a type of sake that has a fruity flavor and has been described as a work of art among sake. The second category was for *Junmai-shu* sake that is made solely from high quality rice and has a fragrant and complex flavor. The last category was for *Junmai Ginjo-shu* sake, a beautiful combination of rich and fruity flavor of *Ginjo-shu* sake with fragrant and tasteful flavor of *Junmai-shu* sake.

The six prefectures of the Kanto-Shinetsu region are blessed with outstanding natural beauty and best climate conditions for brewing sake. For the Kanto-Shinetsu Sake Awards 2022, 139 products were exhibited in the *Ginjo-shu* category, 171 in the *Junmai Ginjo-shu* sake category and 88 in the *Junmai-shu* category from many traditional sake breweries (*Meijo-kura*) in Kanto-Shinetsu region.

The judging panel, who used all their senses to evaluate the quality of the exhibits, carried out the first and second round of judging on September 28th, 29th and October 6th 2022. Following a strict but fair judging process, KAWAMURA Naoki, the Regional Commissioner of the Kanto-Shinetsu Regional Taxation Bureau, awarded the Grand Prize to a manufacturer who achieved the highest score in each of the three categories (the *Ginjo-shu* category, the *Junmai Ginjo-shu* category and the *Junmai-shu* category), and also gave Special Prizes to two other manufacturers that achieved the highest scores in each of the three categories following the Grand Prizes. Furthermore, the Commissioner KAWAMURA also gave Excellence Prizes to 50 manufacturers in the *Ginjo-shu* category, 54 manufacturers in the *Junmai Ginjo-shu* category and 28 manufacturers in the *Junmai-shu* category that achieved excellent scores.

Judging method

The judges, who are experts in evaluating the quality of sake and came from the six prefectures in the Kanto-Shinetsu region, are researchers from public organizations for sake brewing technology, brewmasters, researchers from National Research Institute of Brewing and technical officers from the Kanto-Shinetsu Regional Taxation Bureau. The judges used all their senses to perform strict but fair evaluations of the quality of sake.

Results of the Judging

Please see [Appendix 1](#) and [Appendix 2](#).

第93回関東信越国税局酒類鑑評会 最優秀賞受賞酒 Kanto-Shinetsu Sake Awards 2022 The Grand Prize

第93回関東信越国税局酒類鑑評会においては、海外消費者に向けた日本酒の認知度の向上と分かりやすい情報発信のため、吟醸酒の部、純米吟醸酒の部、純米酒の部の3部門の最優秀賞受賞酒について、テイastingノート及びアイコンを作成し、広く一般に公開することとしました。

At the Kanto-Shinetsu Sake Awards 2022, in order to improve the awareness of sake among overseas consumers, we created and released tasting notes and icons of sake from the manufacturer that received the grand prize in the three categories (the Ginjo-shu category, Junmai Ginjo-shu category and, Junmai-shu category).

Point1 テイastingノートの作成方法 How to create tasting notes

① 国際的ワイン品評会の一つであるIWC (International Wine Challenge)の日本酒部門のテイastingノート計4,550件についてデータ解析(テキストマイニング)を行い、日本酒の多様で複雑な香味を表現する英語表現として一般的であると考えられる単語を抽出しました。

② この単語を用いて、鑑評会の品質評価員が各部門の最優秀賞受賞酒を評価し、その結果を集計して文章を作成しました。

1. We analyzed the data (text mining) of a total of 4,550 tasting notes for the sake category of the IWC (International Wine Challenge), an international wine competition, and extracted words that are considered to be common English expressions for describing the complex and diverse flavors of sake.

2. Using these words, the judges at the Sake Awards evaluated the sake which received the grand prize in each category, and aggregated the results to create a report.

Point2 アイコンについて About Icons

テイastingノートの作成において品質評価員が指摘した表現を基に、表現の出現頻度を可視化するWordcloudという手法を用いて作成しました。

アイコンを構成する単語は、多くの品質評価員が感じたものであるほど大きく表示されており、最優秀賞受賞酒の香りや味を視覚的に、直感的に感じることができます。各最優秀賞受賞酒のアイコンは、そのお酒の品質評価の集計結果を基に作成されているため、唯一無二のものです。

※ アイコンの輪郭は、日本酒の容器の一種である一升瓶をモチーフにしています。

Based on the expressions pointed out by the judges in the creation of the tasting notes, we used Wordcloud to visualize the frequency of the expressions used.

The words comprising the icons are displayed bigger if they were felt by many of the judges, so you can visualize and intuitively feel the aroma and taste of the sake which won the grand prize. The icons for each grand prize winning sake were created based on the aggregated results of the quality evaluation for that sake, so each one is unique.

*The shape of the icon is based on a one-sho bottle, a type of container for sake.

アイコンの例
Icon example

強い香りは文字が大きくなる
A strong aroma increases the size of letters.

弱い香りは文字が小さくなる
A weak aroma reduces the size of letters.
